Template 3: Email to Manager – Profile Approved, Please Proceed

Subject: Profile Approved – Please Proceed with Next Steps | [Candidate Name]

Template 3: Email to Manager – Profile Approved, Please Proceed

Hi [Manager Name],

I've reviewed the resume for **[Candidate Name]** – based on their experience and technical match, I recommend we proceed with the interview process.

Please go ahead and forward to [recruiter name] or schedule the screening round as appropriate.

Let me know if you'd like a quick walkthrough of the candidate profile.

Thanks,
[Your Name]

Template 4: Access Request – New Interviewer Tool Access (JIRA, Aha!, Confluence)

Subject: Tool Access Request – [New Interviewer Name]

Template 4: Access Request – New Interviewer Tool Access (JIRA, Aha!, Confluence)

Hi [Support/IT/HR Team],

Please grant the following tool access for new team member **[Interviewer Name]** who will be supporting our **QA / Automation hiring and evaluation process**.

Requested Access:

- JIRA (QA Board / Interview Tracker)
- Confluence (QA Hiring Workspace)
- Aha! (View-only for roadmap alignment)
- FreshService / HR Tools (if applicable)

Justification: Supporting technical interviews, feedback documentation, and process alignment for Sr. SDET hiring.

Let me know if approval or further info is required.

Thanks,
[Your Name]
