

08. Offer Decision & Approval Flow

 **Page is about?**

***Purpose:** Standardize the **final offer decision process** before making an extension for Sr. SDET / Sr. Automation Engineer roles. Ensures alignment between Hiring Manager, HR, and Leadership.*

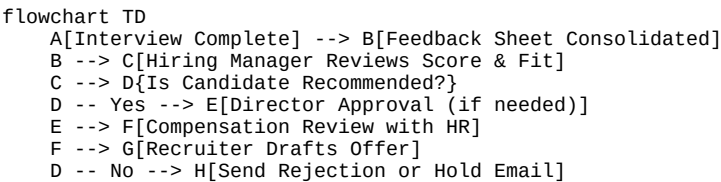

Who Decides What

Role	Responsibility
Hiring Manager	Consolidates feedback, makes recommendation, confirms team fit.
Director (e.g. Henry)	Approves candidate based on technical alignment, budget, and long-term planning.
HRBP / Talent Partner	Final offer alignment, compensation discussion, onboarding plan.
Recruiter / Coordinator	Coordinates scheduling, approvals, offer letter generation.

Final Approval Checklist

Checkpoint	Notes
All Interview Feedback Submitted	From each panelist, in tracking template
Role Still Open	Confirmed headcount in Aha! or JIRA
Offer Band & Compensation Reviewed	Aligned with HR/Recruiter
No Conflicts with Current Candidates	i.e. duplicates in pipeline
Coding & Test Scenarios Evaluated	Minimum 1 coding + 1 automation exercise
Decision Made by Hiring Manager	Final call based on score + team fit
Director Approval (if required)	Especially for Sr. SDET or strategic roles
Offer Email or Verbal Greenlight	Recruiter can proceed
